The meeting for the Historic District Commission was called to order by Chairman Carol Rose at 5:30PM. In attendance were Carol Rose, Mary Moore, Betty Tustin, Robert Poli and Laura Stearns. Staff present were Laura Allen Town Administrator and Carolyn Duffy Permit Coordinator. Chairman Carol Rose called for a motion to adopt the July 5th 2017 agenda. Mrs. Betty Tustin made the motion to adopt the July 5, 2017 agenda. Mrs. Mary Moore seconded the motion and it was unanimously accepted by the commission.

Chairman Rose commented on the agenda from last month’s meeting, she stated an item was added to the agenda but just as a discussion item. Per the Town Attorney David Gaskill they as a commission didn’t have to rule on it. And she also wanted added to the minutes that everyone on the Historic Commission was highly in favor of the students from Stephen Decatur High School being involved in town art projects and that there were ample places in town where projects could be done. Chairman Rose called for a motion to adopt the minutes from the June 7, 2017 meeting. Mr. Robert Poli made the motion to approve the minutes from the June 7, 2017 meeting. Mrs. Laura Stearns seconded the motion and it was unanimously accepted by the commission.

The next item on the agenda was the election of the Chairman & Vice Chairman. Chairman Rose explained why the election hadn’t been done in January due to people being out and it would be through December 31st 2017. Chairman Rose called for nominations for Chairman. Mrs. Moore again asked Chairman Rose if she was sure she didn’t want to remain seated because she had done such a good job being the Chairman. Mrs. Tustin said she had the same sentiments and also wanted to nominate the already seated Chairman Rose. Mrs. Moore thought maybe by the end of the year they would be able to decide. Mrs. Tustin said they would step up and be more supportive. Chairman Rose said she had come with the notion of not being Chairman. Chairman Rose told the Commission she would remain till the end of the year. She then called for a motion. All were in favor of her remaining the Chairman. Chairman Rose called for a motion for Vice Chairman. Mrs. Moore made the motion to nominate Mr. Robert Poli for Vice Chairman she thought his quality for details and his standards were very high and thought he was very sharp. Mrs. Tustin seconded the motion. Mr. Poli accepted and all were in favor it was unanimous.

Chairman Rose called Case # 7-5-17-22 105 South Main Street. Jason & Kelly Lazer came forward. Chairman Rose thanked them for their packet. Mr. Lazer told the commission that you couldn’t see the fence from the road. Maybe from where they park the car. They said hopefully next year they would be able to do a garage. Mrs. Moore thought it was wonderful that younger people wanted to live in older homes. Mr. Lazer stated they had fallen in love with Berlin and then they walked into this house. Mr. Poli asked about the existing fences around them. Mr. Lazer stated on the left side was Brushmiller his is a wooden fence and the other side belongs to other neighbor. He told the commission he wanted it to blend in. Mrs. Laura Stearns thought it was very tasteful. Chairman Rose thought it was very nice also. She told them there was no money or grants available from Preservation Maryland. Mrs. Moore stated she thought
the realtors should tell home buyers about the Historic District when they were purchasing a home. Mr. Lazer told them he and his wife liked having the standards. Mr. Robert Poli made the motion to approve Case # 7-5-17-22. Mrs. Mary Moore seconded the motion and it was unanimously accepted by the commission.

Chairman Rose called Case # 7-5-17-23 318 South Main. Chairman stated that this was one of her favorite houses on South Main Street. Mrs. Laura Stearns said she loved it. Mrs. Susan Curtis said they wanted to address the lighting around the house. The fence would be on the street side and would hide the ramp. The glass enclosure they would give her the details. Mr. Poli said he had looked at the house. Chairman called for a motion. Mrs. Betty Tustin made the motion to approve Case # 7-5-17-23 as presented. Mrs. Mary Moore seconded the motion and it was unanimously accepted by the commission.

Chairman Rose called Case # 7-5-17-24, 16 Broad Street exterior lighting. Ms. Rhonda Pilarski told the commission it was exterior lighting and recessed lighting. She brought pictures to show the commission. Ms. Pilarski told them on the sides would be the recessed lighting you won’t see it and in the back a pack light for security. She discussed with the commission about removing the scrolls from the Bridal Shop and making her sign larger. She then showed the pictures to them with the lights. She said the goose neck lighting would go above the sign. Mrs. Laura Allen asked is the size going to be bigger then she went up to take a look at what she was proposing. Chairman Rose explained that she would have to check with Mr. Engelhart about enlarging the sign due to the square footage of the building. Mrs. Betty Tustin thought there was not enough information to vote and didn’t think additional lighting was needed because of the street lights.

Chairman Rose asked when the applicant was planning on opening. Ms. Pilarski stated she was planning for August 1st. Ms. Pilarski told the commission during the winter she would be open until 7:00PM. Chairman Rose told her that she parks there from time to time and it’s not really that dark. Mrs. Stearns asked that they go take a look individually at the building. Ms. Pilarski told the commission because it is still light outside now she didn’t have to do the back lights right now. Chairman Rose suggested a continuance of the lighting until next month. And that would give everyone opportunity to take a look. Ms. Pilarski is to check with Dave about the size of the sign. Mrs. Allen told her if the sign is bigger she would have to come back before the commission for approval. Chairman said she was approved for one size. Members concerned she may need more gooseneck lighting for the dimensions of the sign.

Chairman Rose asked if there were any comments from the public, staff or commissioners. Mr. Poli said he had done some research and had spoken to the Planning Commission Chairman. With that Mr. Poli thought that the Historic Commission should be stronger in the use of their guidelines. He also felt that the district should be expanded. Mrs. Allen would check with the Town Attorney to see what recourse they have or not for getting businesses to comply. Mrs. Tustin suggested maybe in the fall they could have another work session. She thought that had been very helpful. Meeting was adjourned at 6:29PM.

Respectfully Submitted,

Carolyn Duffy

(CITY AND STATE)

The undersigned Contractor, agrees to furnish all materials and labor necessary for the work (specified below) on premises located at Office Roof Replacement 11 S. Main Street Berlin, Maryland
(Property)  (City)  (State)
work to begin approximately July, 2017 and be substantially complete by August, 2017 weather permitting.

SPECIFICATIONS:

• Provide an engineering report to show that the roof meets applicable code.
• Obtain a building permit from the Town of Berlin.
• Remove the existing roofing and plywood overlay down to the original roof sheathing.
  > Rotten plywood in the original sheathing would be replaced as a time and material extra.
• Install new ice and water shield over the sheathing.
  > This will allow us to complete necessary sheathing repairs as we progress and will shorten the overall length of the project.
• Install new 22 gauge galvanized “U” channels to accommodate the 2x6 nailers centered on each rafter.
• Install new doubled 2x6 nailers to serve as purlins for the metal roofing 2’ on center up the slope of the roof.
• Install new 040 aluminum edge metal and flashing as needed.
• In the valley where the buildings meet install new 60 mil TPO membrane.
• Install new 60 mil TPO membrane to the rear of the front parapet and the adjoining building wall to serve as flashing.
• Mechanically attach new fleece backed TPO at the rear of the building where it cannot be seen.
• Install new 032 aluminum 18” wide panels with a 1.75” standing seam over the 2x6 purlins at the front of the building.
• Install new TPO coated metal counter flashing where the roof meets the adjoining building.
• Install new .032 aluminum fascia, gutter, and downspouts as needed.
• Provide our 2 year workmanship warranty.
• Enroll the building in our maintenance and inspection program for 2 years at no additional cost.
• Provide the manufacturer’s warranty.

The undersigned property owners agree that the total sum Not to Exceed $ 72,200.00 will be paid upon completion of work and assumes that work can be completed during normal weekday hours.

Terms: Deposit of THIRTY-SIX THOUSAND ONE HUNDRED DOLLARS ($36,100.00) due prior to start of work.
Balance of THIRTY-SIX THOUSAND ONE HUNDRED DOLLARS ($36,100.00) due upon completion.

UNPAID BALANCES SUBJECT TO A FINANCE CHARGE OF 2% PER MONTH AND THAT ALL COLLECTION FEES, ATTORNEY FEES, COURT COSTS, OR ANY EXPENSES INVOLVED IN THE COLLECTION.

This Contract shall become binding only upon written acceptance hereof by the Contractor or by an authorized agent of the Contractor; or upon commencement of the work.
