

# Graham Avenue Stormwater Project

## ***COMMUNITY MEETING***

**Thursday, April 11th at 6 PM**

**Berlin Activities Depot**

**10008 Old Ocean City Blvd.**

**The Town is working toward reducing flooding in your neighborhood while benefitting the Coastal Bays.**

**Come learn about a Graham Avenue Stormwater Project to reduce flooding and reduce pollution of the Maryland Coastal Bays.**

**You will have the opportunity to weigh in on several potential project designs and representatives from the Town and the MD Coastal Bays Program will be on hand to explain the project and answer your questions.**

**For Information about the community meeting, please call Mary Bohlen at 410-641-4314.**
