EROSION AND SEDIMENT CONTROL / STORMWATER MANAGEMENT DISCLAIMER

RE: Berlin Building Permit # _____

By signing below, the applicant for the above referenced permit number is advised that any disturbance of soil associated with the proposed project will be subject to a review for compliance with the Town of Berlin Stormwater Management regulations as established in Chapter 93 of the Town Code. No permit for construction will be issued without the approval of the Town's Stormwater Management staff.

Additionally, any disturbance exceeding 5,000 square feet of land and/or any fill that exceeds 100 cubic yards will require Erosion and Sediment Control Plan approval by the Worcester Soil Conservation District. Regardless of the amount of disturbance and/or fill material associated with the project, applicable measures to prevent eroding soil, sediment or other pollutants from leaving the project site must be provided.

For questions regarding Erosion and Sediment Control regulations, please contact the Worcester Soil Conservation District at 410-632-0939.
